Product Data Sheet

NOTE: The information in this publication is the result of careful testing in our laboratories, complemented by selected literature. It does not in any way constitute a guarantee, nor does it serve as a license to operate any patent. Due to widely varying conditions of product use, which are beyond our control, it is strongly recommended that the product be tested for suitability. Product typical properties in this publication are current.

PREMIUM WHITE OIL GEARS/BEARINGS

UNIPAR FG SERIES

UniPar FG Series gear oils are specially formulated for gear systems operating in the food service and packaging industries.

UniPar FG Series lubricants are NSF Registered and meet USDA 1998 (H1) guidelines (lubricants with incidental food contact). In addition, these gear oils are Kosher/Halal approved. Summit is an ISO 21469 certified facility. UniPar FG lubricants are fortified with oxidation inhibitors as well as anti-wear/EP additives to pass the highest stages of the FZG test.

UniPar FG Series gear oils are ideal for the lubrication of production equipment in beverage canning, bottling operations, meat and poultry processing, dairy operations, fruit and vegetable processing, bakeries, and pharmaceutical plants.
